HART
UNLOCKING LEADERSHIP

How to Deliver Effective Feedback

This training session is dedicated to people managers who want to learn and practice feedback techniques to build and maintain high performance teams.
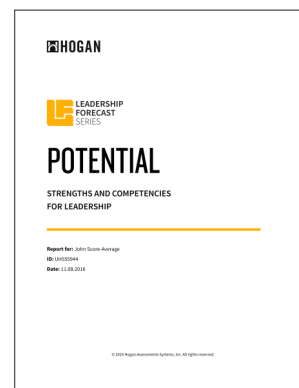

Agenda

- A story about feedback
- Why is feedback important when leading people
- Personality styles and feedback
- Techniques of delivering different types of feedback
- Rules for feedback
- Video learning session
- Practice the feedback techniques
- From insights to actions – how to help people apply the feedback

The training includes as pre-work **Hogan Leadership Report** as a tool for understanding own leadership style and feedback delivery preferences.
